AIRPORT

These amounts include all costs related to the development or significant maintenance of Gness Field, the County Airport near Novato, a 121-acre facility housing 300 aircraft. Fixed base operators operating under contract with the County provide the services at the airport. Funding in future years is indicated for planning purposes only and subject to available funding and approval by the Board of Supervisors. Inclusion of unfunded projects does not guarantee funding in future years, as unfunded projects will be subject to available funding and reviewed along with new emerging needs.
