The property involving this permit request may be subject to deed restrictions called Covenants, Conditions and Restrictions (CC&Rs) which may restrict the property's use and development. These deed restrictions are private agreements and are NOT enforced by the County of Marin. Consequently, development standards specified in such deed restrictions are NOT considered by the County when granting permits. I understand that it is my responsibility to determine if the property is subject to deed restrictions and if so, I certify that I have contacted the appropriate homeowners association and adjacent neighbors about the project prior to proceeding with construction. Following this procedure will minimize the potential for disagreement among neighbors and possible litigation.

I hereby authorize employees, agents, and/or consultants of the County of Marin to enter upon the subject property upon reasonable notice, as necessary, to inspect the premises and process this application. I understand that in cases where the development site is large or cannot be easily seen or accessed from the nearest public road, the Community Development Director may determine that a publicly noticed site inspection by the decisionmaker is necessary. In this instance, I hereby authorize the conduct of such inspections of the premises upon reasonable notice.

I hereby authorize the Planning Department to reproduce plans and exhibits as necessary for the processing of this application. I understand that this may include circulating copies of the reduced plans for public inspection. Multiple signatures are required when plans are prepared by multiple professionals.

I understand that any misstatement or omission of the requested information or of any information subsequently requested shall be grounds for rejecting the application, deeming the application incomplete, denying the application, suspending or revoking a permit issued on the basis of these or subsequent representations, or for the seeking of such other and further relief as may seem proper to the County of Marin.
