* Denotes the administrative costs which are incorporated within the rate.

** ADP shall reimburse NTP providers for up to 200 minutes of counseling per calendar month, per beneficiary, under methadone service only. Counseling shall be individual and/or group.

***Since FY 2002-03 Naltrexone has been frozen at the FY 1999-2000 approved rate. No more recent cost report data has been submitted. For FY 2009-10, the proposed 10 percent rate reduction was applied to the FY 2008-09 approved rate level.

****Perinatal NTP Group Counseling and ODF Group Counseling are maintained at the FY 2007-08 approved rate level.

It was determined that there are too few data to reflect the true cost of services. For FY 2009-10, the proposed 10 percent rate reduction was applied to the FY 2008-09 approved rate level.
