

# ★ Update your voter registration! ★

---

## **When do I have to update my voter registration information?**

Fill out a new voter registration form if you:

- ★ Move to a new address,
- ★ Change your mailing address,
- ★ Change your name,
- ★ Are released from prison and complete parole, or
- ★ Would like to change your political party

## **What happens if I do NOT update my information?**

Your name may not be on the Roster of Voters at the polls on Election Day. That means you may have to vote a provisional ballot, which may not have all of the candidates or measures that are on the ballot for your current address.

In Primary Elections, you may not be able to vote the ballot of the political party of your choice.

And if we do not have your current mailing address, the post office will not forward your election mail.

## **What if I am homeless?**

You can still register to vote. Write the address of a shelter or the cross streets of where you sleep on your voter registration form.

## **Where can I get a voter registration form?**

You can get a voter registration form at:

- ★ The Secretary of State's website: <http://www.sos.ca.gov>
- ★ Any public library,
- ★ Your local clerk's or elections office,
- ★ Any fire station, or
- ★ Your local DMV office.
