

# INFORMATION FOR ELDERLY VOTERS AND VOTERS WITH DISABILITIES

## POLLING PLACES

The Marin County Registrar of Voters has made every effort to locate accessible polling places for all elections. The accessibility of your polling place is shown on the back cover of this sample ballot by the letters “Y” (yes), “N” (no), and “U” (usable) printed to the left of the disability symbol.

“Y” (yes) means your polling place is fully accessible.

“N” (no) means your polling place is not accessible.

“U” (usable) means your polling place is usable for many persons with disabilities, but does not meet all ADA requirements.

For questions about the accessibility of your polling place, call (415) 473-6439.

**For the location of your polling place, visit [www.marinvotes.org](http://www.marinvotes.org).**

## Other ways you can cast your ballot if your polling place is not accessible are:

### VOTE BY MAIL

Any voter can vote by mail. To become a permanent vote-by-mail voter, call the Registrar of Voters' Office at (415) 473-6444 or 6441 to receive an application or fill out application on back cover.

### REQUEST ALTERNATIVE ACCESSIBLE POLLING PLACE

A voter who is unable to enter his/her polling place because it is inaccessible may request assignment to an accessible polling place by calling (415) 473-6439 no later than two weeks before the election.

### CURBSIDE VOTING

You may request that a paper ballot be brought to you outside the polling place. The poll worker will bring you a ballot and deposit it in the ballot box after you have voted.
