Did you know that in a typical week your Marin County Free Library offers 17 different storytimes in 11 branch libraries!

We also offer terrific free programs throughout the year such as magic shows, puppet shows, storytellers, musicians, holiday programs and pajama storytimes. You can even phone Dial-A-Story and listen to a new 5-minute story each week! *For older kids we have chapter books clubs, the summer reading game, and more. Ask for flyers detailing current storytimes and upcoming events or check our website. *varies by branch

For future planning, we'd like to know if there's a special day or time you would prefer at your local branch and what type of storytime you would like to attend.
