SUBJECT: Department of Health and Human Services, Division of Public Health requests approval of Second Amendment to Affiliation Agreement with The Regents of the University of California to add the UCSF School of Medicine.

Dear Supervisors:

RECOMMENDATION:

1. Authorize President to execute Second Amendment to Affiliation Agreement with The Regents of the University of California.

SUMMARY: The Department has been in collaboration with the University of California Schools of Nursing, Medicine and Dentistry to serve as a training site to prepare nurses, nurse practitioners, nurse midwives, medical students, and dentists to work in a clinical setting since FY 1997-98. On September 22, 2009, your Board approved a multi-year agreement with The Regents of the University of California for HHS Clinics to continue to serve as a teaching site for nursing students. On December 15, 2009 your Board approved a First Amendment to the agreement adding the School of Dentistry and the HHS Dental Clinic in order to consolidate agreements. The Department proposes to further consolidate agreements through this proposed second amendment by adding the School of Medicine. The agreement continues through May 24, 2014 or until earlier terminated and does not contain a financial component.

COMMUNITY BENEFITS: The Department relies on the services provided by the UCSF nurses, nurse practitioners, nurse midwives, medical students, and dentists to continue the high level of care and service to Marin County residents, many of whom are underinsured, with complex medical, psychosocial, and oral health issues.

FISCAL/STAFFING IMPACT: There is no impact to net County cost. The proposed agreement amendment does not contain a financial component.
