Marin County Board of Supervisors
3501 Civic Center Drive
San Rafael, CA 94903

SUBJECT: Department of Health and Human Services, Division of Public Health requests approval of CBO contract through December 31, 2012 with Marin AIDS Project for \$108,500 for the provision of HIV outreach and testing services to high risk Marin County residents. (New)

Dear Supervisors:

RECOMMENDATION:

1. Authorize the President to execute CBO contract with Marin AIDS Project for \$108,500.

SUMMARY: On January 31, 2012 your Board accepted a \$217,412 award from the City and County of San Francisco, part of a larger CDC grant to the San Francisco Metropolitan Division to provide HIV outreach and testing services. Part of this award was designated for a community agency to conduct HIV testing and outreach in partnership with the Department.

The Department issued a Request for Proposals for these services and Marin AIDS Project was the sole applicant. Under the proposed contract, Marin AIDS Project will conduct HIV outreach to high risk individuals in locations where they congregate and provide testing upon request as well as facilitate linkage to medical services for those who test HIV positive.

COMMUNITY BENEFITS: In 2009, the State eliminated funding for HIV prevention and testing. While limited HIV testing has been available, the proposed CBO contract provides funds to support a broader countywide HIV testing program to encourage high risk individuals to know their HIV status and if positive, link them to medical care.

FISCAL IMPACT: The proposed CBO contract is fully funded by CDC funds administered by the City and County of San Francisco and the contract term ends December 31, 2012. Funds are budgeted in the HIV/AIDS Services Funds Center 1000102000. There is no increase in net County cost associated with this request.
